

MESSAGE FROM MRS LAVELLE

Wednesday 24th June 2020

I hope you are all keeping well. It looks like we will have lovely weather this week which is ideal for our Sports Day activities. We are looking forward to hearing about how you all got on with these and I will share photos and overall results in our next newsletter. I also hope that you enjoy the healthy living activities we have included in our curriculum this week. Both in school and at home, children have access to a wide range of tasks which promote, among other things, healthy eating and looking after your emotional/mental health.

It was lovely to share a Friday assembly video with everyone last week, either through Class Dojo or to groups in school. I will do this every week until we are all together again. As mentioned in my Assembly, we are so proud of the children who returned to school last week. They have settled back in so well and are working hard in their new groups. A big thank you to our fantastic staff team who have put so much work into planning/preparation and ensuring that the return to school has gone smoothly and positively for everyone. Our children at home also deserve lots of praise - we are really proud of all of you too! I am currently looking at ways to organise some time in school for you before the Summer holidays and will be in touch next week with more details about this.

Teachers are currently working on end of year reports and we will get these out to parents/carers as usual in the last week of term. I am also looking at class organisation for next year and will share this information with you very soon. In the meantime, I hope everyone enjoys the lovely sunny weather and I will catch up with you all in our Friday Assembly.

Take care,
Mrs Lavelle

★ STAR AWARDS ★

I am now awarding these each week in my Friday Assembly. Totals for Friday 19th June were:

- Red Team 7
- Yellow Team 7
- Green Team 5
- Blue Team 5

★ The new overall House Team Totals are now: ★

Red Team	$114 + 7 = 121$
Yellow Team	$111 + 7 = 118$
Green Team	$99 + 5 = 104$
Blue Team	$89 + 5 = 94$

MRS SCOTT'S CYCLE CHALLENGE

Mrs Scott has reached Glasgow and has now cycled

300 miles (in her garage!) This means that she has won the third of our

ice cream van visit

for each class once they return to school.

Well done Mrs Scott!

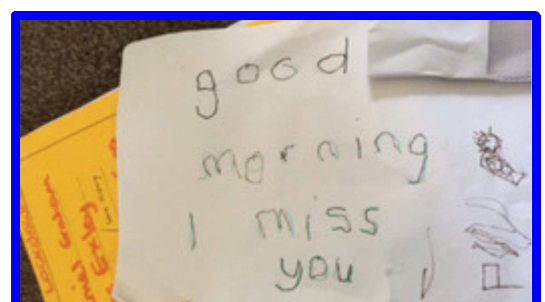

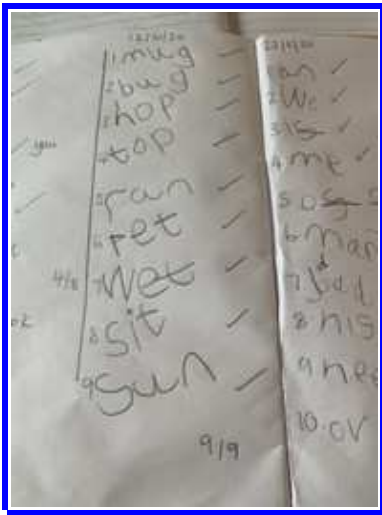

HOME LEARNING

The children have continued to be very busy at home.

Nursery and Reception

Charlie G sent a lovely message to school. We Miss you too, Charlie. Fantastic writing!

Amazing spellings by Neave

Lydia has had an exciting week watching one of their butterflies hatch!

Thomas enjoyed his Teddy Bear picnic

Year 1

Chloe enjoyed visiting Hadrian Wall

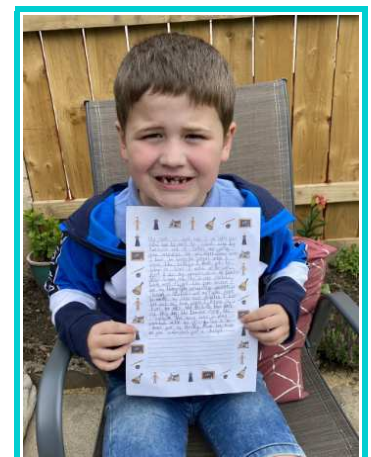

Jack M made his own Victorian toy spinner

Daniel's been busy baking and watching his bean grow.

Year 2

Joey and Jack had fun on their 2D & 3D shape hunts

Jack M baked a Victorian sponge cake

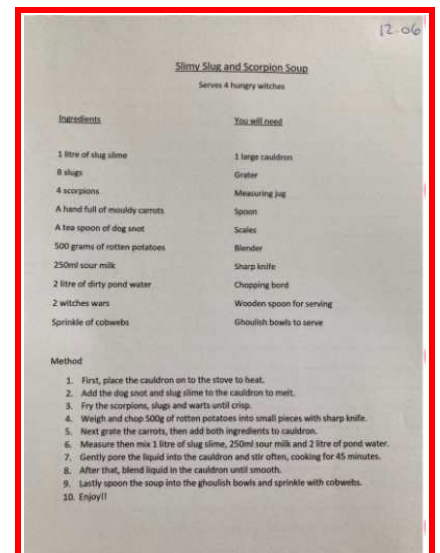

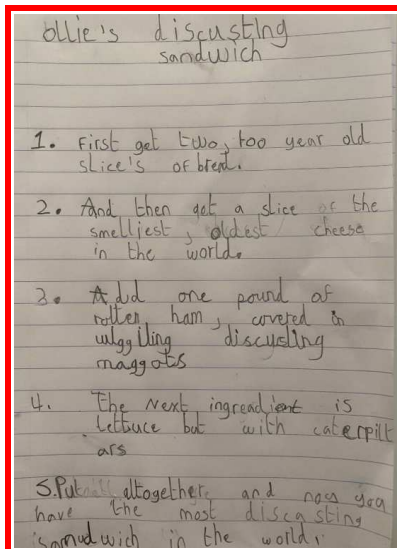

Naomi dressed as a Victorian schoolchild and her and Emmy enjoyed a socially distanced walk together

Year 3

Year three have been working hard at home over the last week telling the time, writing instructions and learning about recycling.

Emilia-Paige T

Ollie S

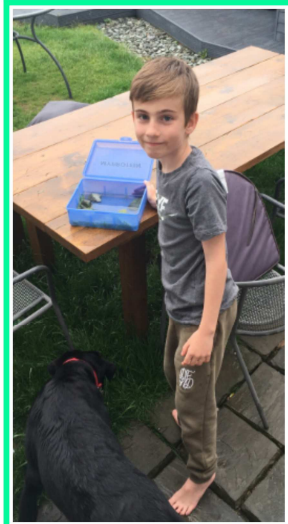

Hannah J

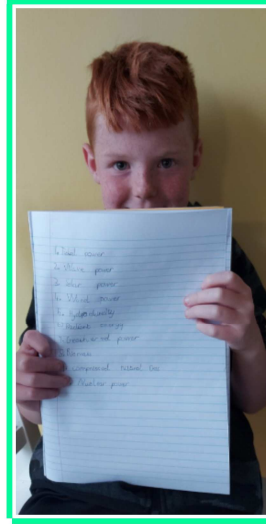

Year 4

Leia is standing in Fenwick's window, with her poster that has been selected to be part of a mural. It even made BBC and ITV local news!

Will saved a frog

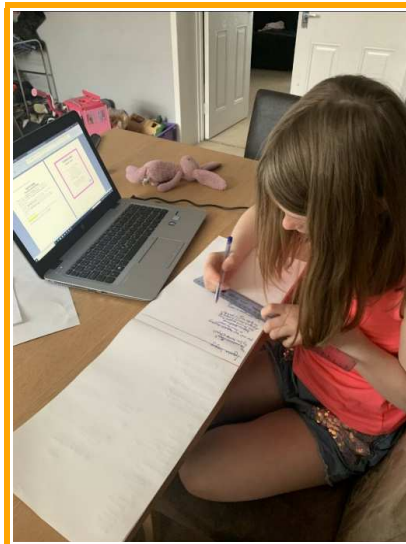

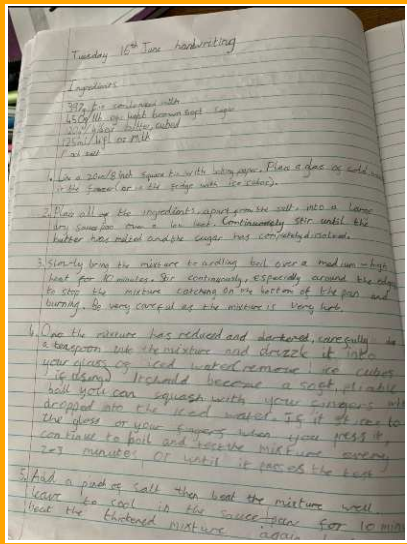

Super Handwriting by Josh H

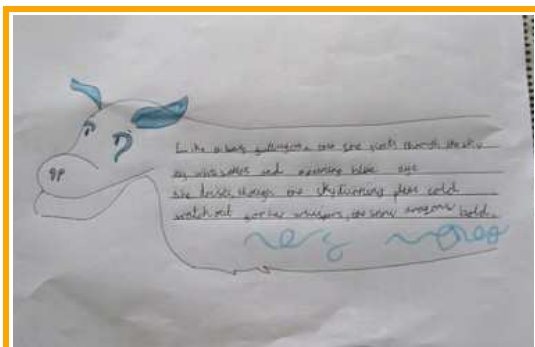

Ava dolphin-spotting at Seaham.

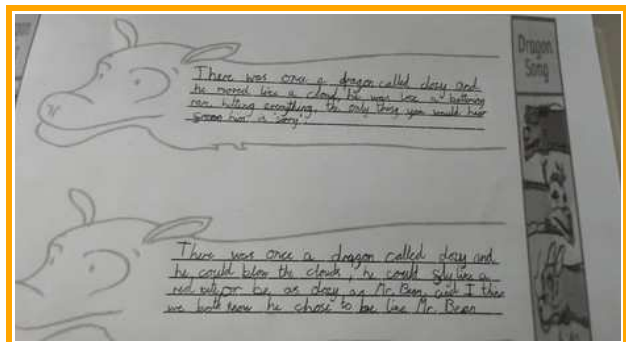

Year 5

Ben L - writing instructions

Amelia B - Poem

Ben I - Poem

ACTIVITIES IN SCHOOL

It's been much busier in school now that we have Nursery, Reception, Year 1 and Year 6 back with our Key worker children. They've all had a busy but enjoyable time in school.

Nursery children had a great first week back in school. It was lovely to see them enjoying the social time with their friends again.

Year 6 created some amazing art work (can you work out who they are?) and completed some work linked to their new novel 'Holes', including some chalk drawings on the yard.

Friday 19th June

Can I write an informal letter?

Hi Mom,

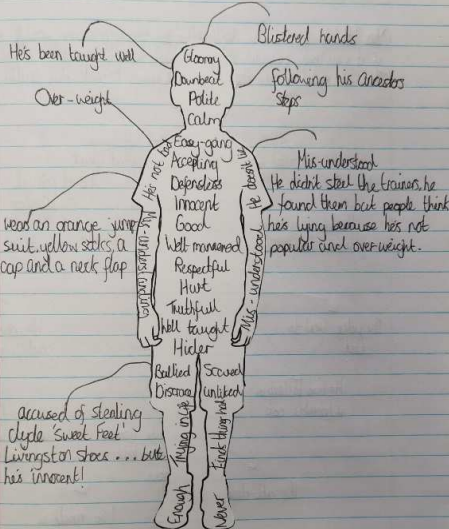

Where do I start? There's so much to tell... I have been sent to an absolute torture camp. I have to dig a hole by hole by hole everyday. It's 45° and the only place for shade is two trees at the top of a hill. We're forbidden from there though. That's the warden's territory! The showers only have cold water which isn't too bad after I've been out in the heat all day. The food is like something you get for pigs to eat. Talking of pigs: I wouldn't be here if it wasn't for my no-good-dirty-rotten-pig-stealing-great-great-grandfather. I hate that man! He's the reason I'm here! He's the reason our family is so unlucky! I suppose one good thing about the camp is the friends. I've been nick named Caveman. I don't really know why though. I would really appreciate it if you could get me out of here! - Camp Green Lake.

Speak soon

Caveman.

x

Thursday 18th June

Can I retrieve and use information accurately?

My name would be Alan.

Yellow-Spotted Lizard Description

Find out all the information you can about the dangerous yellow-spotted lizard and draw an accurate labelled picture of one in the box.

What connection can you make between the lizard and what Mr. Sir does in the holes?

Mr. Sir and yellow spotted lizards both eat sunflower seeds.

Why are the boys scared of the lizards?

They The lizards can kill you.
