

MESSAGE FROM MRS LAVELLE

Tuesday 7th July 2020

Can you believe that we are in the last two weeks of the year! A very strange Summer Term but it is lovely that so many of our children are in school this week and next week to share in end of term activities. They can then all enjoy the Summer holidays and look forward to returning in September in their new year group classes. Following government guidance, we are expecting all pupils to return full-time in September. I will let parents/carers have our updated Risk Assessment/Organisation once this is completed so you can see how we will be managing the updated social distancing requirements and what our Recovery/Catch-up curriculum will look like. We will also be planning an updated approach to Home Learning should a second lock down need to take place at any point in the school year.

Year 6 have got an action packed last two weeks as we celebrate their time at Ouston Primary School and prepare to say goodbye to them as they leave for secondary school. In my final newsletter of the year next week I will let you know which Year 6 pupils received our end of Year 6 awards. Plus, the final House Team totals!

Our newsletter has a Sports Day theme this week. Below you will see photos of children taking part in our first Sports Day at home and in school! It is lovely to see how everyone still enjoyed this important event in the school year and tried their best with all the different events. Well done to those parents who joined in too!

Have a great week,

Mrs Lavelle
