7th January 2021

Dear Parent/Carer,

I hope you are all keeping well and starting to settle into the new routines you are facing, whether your child is in school or working from home.

We are so pleased with how children at home are responding to our remote learning lessons and we hope you are finding these easy to access and use. As I'm sure you can imagine, a great deal of work is being done by teachers to replicate as much as possible the usual Maths and English lessons they would experience in school and to ensure these are set at the correct level for children within the class. We therefore hope that everyone is able to access these and complete the lessons successfully. Do let us know if you are having any issues with these and particularly if you need any support with technology as we are able to loan out laptops or tablets to those who need them. We may be able to support also with internet access.

If you still require exercise books for your child, these are still available. Please call in at the school office between 9.30am and 5.30pm if you need to collect these.

The children working in school have settled back in extremely well and we are delighted with their enthusiasm and hard-working approach. They very much seem to be enjoying their time in school and we will keep working to ensure that this continues up until half term.

I do need to inform you that we have reached capacity in the majority of our classes for children of Key Workers. Please do still get in touch if a need for a place arises during the next few weeks however and we will do what we can to support you.

The class Zoom meetings have been going well this week and it has been lovely for teachers to chat with pupils working from home. There will be no Class Zoom meetings on Mondays or Fridays and instead I will send out a Rights Respecting Schools Assembly video on Mondays and a Golden Assembly video on Fridays via Class Dojo. Children in school will watch these videos in their classes.

I will send a newsletter out at the end of next week with news from home and school. In the meantime, please look after yourselves and as always get in touch if we can support in any way.

Best Wishes,
Mrs Lavelle
Headteacher
